## CAREER OBJECTIVE

---

I'm passionate about technology, especially Web Developer with a strong foundation in programming, problem solving, and Web development. I want to use my skills to solve problems and make the world a better place through innovative user-friendly web applications.

## WORK EXPERIENCE

---

### Saawahi IT Solution LLP – Ahmedabad

Frontend Developer

Oct 2025 - Dec 2025

- Worked on a **live project**, fixing bugs and enhancing features in a production environment.
- Enhanced **UI functionality and user experience** by fixing frontend issues and improving responsiveness.
- Worked with **version control systems** to manage code changes and ensure smooth collaboration.

### Plasmid – Bengaluru

Web Developer

Aug 2024 - Oct 2024

- Developed user interfaces with modern JavaScript frameworks, HTML5, and CSS3.
- Enhanced user experience by developing responsive website layouts and implementing cross-browser compatibility.

## EDUCATION

---

### Indus University Ahmedabad

Bachelor of Technology in Computer Engineering - 7.31

Sept 2023 - June 2026

### Government Polytechnic Ahmedabad

Diploma in Computer Engineering - 7.58

Aug 2020 - June 2023

## PROJECTS

---

### Rock Paper Scissors game | React.js, Tailwind CSS

Nov 2024 - Nov 2024

- The Rock Paper Scissors Game is a fun and interactive web application built using React. It allows users to play the classic "Rock, Paper, Scissors" game against the computer with an engaging and responsive UI.

### ToDo App | React.js, Tailwind CSS

Mar 2024 - Mar 2024

- Designed and developed a responsive ToDo application using React.js that enables users to create, update, delete, and mark tasks as completed. It features local storage integration for data persistence.

### Urbanclap clone | HTML , CSS , JAVASCRIPT , JAVA

Aug 2019 - Apr 2020

- An UrbanClap Clone is an on-demand service marketplace that connects users with local professionals for various services like home cleaning, plumbing, electrical repairs, beauty services, and more.
